Sir:

RESPONSE TO NOTICE OF INCOMPLETE REPLY

The Notice of Incomplete Reply mailed 08/17/2001 calls attention to the additional requirement made in the Notice to File Missing Parts for a substitute specification because it was not 1 ½ or double spaced.

Inspection of the specification, claims and abstract as filed, indicates that the only portion of the specification, claims or abstract not already 1 ½ or double spaced is the abstract. However, to insure a complete response, a substitute complete specification (including text, now with added paragraph numbers, claims and Abstract) is attached hereto for use in substitution for the corresponding as originally filed papers.
